2023 Limited Release *Napa Valley Sauvignon Blanc*

TASTING NOTE:

Our 2023 Limited Release Napa Valley Sauvignon Blanc begins with brilliant aromatics of passion fruit, mango and lemon zest. Flavors of lime, kiwi, melon and minerality intermingle perfectly on the palate creating a crisp and lively mouthfeel.

WINEMAKER'S NOTES:

The Sauvignon Blanc grapes are sourced from two different AVAs of the Napa Valley. Most of the grapes are sourced from Rutherford. The warmer climate in Rutherford contributes to the tropical fruit and melon flavors. The grapes from the Oak Knoll District of Napa Valley produce more citrus flavors and bright acidity due to the moderate climate.
