ESTATE WINERY

2023 Collector Edition Napa Valley Viognier

TASTING NOTES:

The 2023 Collector Edition Viognier opens with opulent aromas of orange blossom honey, ripe peach, and mango. The palate is expressive, showcasing satsuma mandarin, pineapple nectar, and fresh nectarine. Smooth and beautifully balanced, this fresh Viognier offers bright acidity with a long, viscous finish that highlights its purity and finesse.

WINEMAKER'S NOTES:

The 2023 season, one of Napa Valley's longest and most idyllic in over a decade, allowed our Viognier to ripen beautifully while maintaining exceptional freshness. Sourced from a single, meticulously farmed vineyard on the northern edge of the Oak Knoll District, the fruit reflects the appellation's cool-climate elegance.

Hand-picked in the early morning, the grapes were gently pressed and fermented in neutral French oak. A long, cool fermentation preserved vibrant aromatics and bright acidity, while subtle barrel influence added refined texture. The result is a smooth, expressive Viognier that balances richness with purity.
