

2024 Limited Release Napa Valley Rosé

TASTING NOTES:

Our 2024 Limited Release Napa Valley Rosé exhibits aromas of strawberry, cranberry, pomegranate, and raspberry followed by flavors of fresh fruits, nectarine, and tart cherry. This soft-bodied wine has a juicy and lively finish.

WINEMAKER'S NOTES:

Described as dynamic and rich in flavor, the 2024 vintage captures the unique character of Napa Valley, blending boldness with elegance.

The Syrah in this wine was purchased from the Dyer Vineyard south of Browns Valley in the Napa Valley Appellation, located just outside of Los Carneros. The cooler growing condition of this area is ideal for growing Rosé with bright, fresh fruit flavors and crisp acidity.
