PINOT NOIR

Santa Barbara County 2023

Over the years, we have added new varietals and blends to our Diamond Collection, especially when we find unique vineyard sources. Our Diamond Collection Appellation Series Santa Barbara Pinot Noir is grown in an appellation that represents the only place in North America where the coastal mountain range transitions from full north-south orientation to full east-west. Morning fog prolongs the growing season and helps the fruit maintain a strong level of natural acidity and rich concentration. Our Santa Barbara Pinot Noir offers great finesse with layered, silky textures, and profuse aromatics.

WINEMAKER'S NOTES:

The 2023 Diamond Collection Appellation Series Santa Barbara Pinot Noir is bold and structured. Enticing aromas of ripe cherry and cola gracefully intertwine with hints of vanilla. The palate is met with rich layers of raspberry, complemented by mocha and a delicate touch of spice, leading to a long, luxurious finish.
